MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Industry Outlook

Your company is engaged in business in the Electrical Industry which comprises of Rotating Machines Group, Static Equipments, Switchgears, Transformers, Capacitors, Transmission Lines etc., Slowdown in the economy affected growth of the business segment as demand for capital goods generally follows a cyclical pattern depending on the overall economic scenario and the investment priorities of the Government. Nevertheless there are signs of revival and your company is geared to perform better in the coming years.

The market for your company's products remained subdued. The present manufacturing capacity in India is in excess of the existing demand. This has lead to aggressive competition and subsequent pressure on the prices of the products.

Your company has taken several bold steps to remain competitive by reducing cost, rationalizing manpower and streamlining operations. The strong brand image of the company's products on account of our stress on quality puts us in an advantageous position.

Opportunities and competition

The industries to which we cater to and diversified portfolio of our products provide consistent demand for our products overall. We are also trying to innovate and further diversify our range of products. With the policies of the Government, the Indian Economy is expected to do better. There is a considerable energy deficit in the country. This provides significant opportunities to share in the chain of power business for our different product lines. The strong brand image of your company's products on account of our stress on quality and a broad network of our dealers/service centers put us in an advantageous position. It may be noted that your company has no control over the external factors as a result of which the actual performance may vary from the expected.

Threats

The existing uncertainty over policy decisions and delayed project clearance coupled with weakening rupee and increase in cost of funds could result into slower revival of the capital goods industry. The Industry is becoming highly competitive. The actual performance may differ, as it is dependent on several factors beyond control of your company.

Segment wise or product wise performance

Your company has identified the reportable segments as Rotating Machines Group, Power Generation and Distribution Group and Others, taking into account the nature of products and services, the different risks and returns and the internal reporting systems.

The segment wise turnover of your company is as follows:

(₹ in lakhs)

Products	2015-16	2014-15
Rotating Machines Group	29,093	26,611
Power Generation and Distribution Group	25,141	22,873
Others	2,875	2,658
Total	57,109	52,142

Exceptional Items

Exceptional items for the year ended March 31, 2016 amounted to ₹ 2155.18 lakhs which resulted due to the sale of 6,174,878 Equity Shares of ₹ 10/- per share held by KECL Investment Trust, for which the company was the sole beneficiary in terms of scheme of arrangement approved by the Hon'ble High Court of Karnataka under the provisions of Section 391 – 394 of the erstwhile Companies Act, 1956.

Future Outlook

Global economies continue to undergo the phase which is having greater share of volatility than that of stability. High interest costs, low corporate investments, high inflation and trade deficits continue in this fiscal. More measures are needed from the Government to kick-start the investment cycle growth.

Nevertheless, the various industries to which your company caters are expected to do better and demand from them is expected to pick up.

In view of the above, your company is hopeful of recording improved operating performance in the current fiscal.

REPORT OF THE INDEPENDENT AUDITOR ON THE ABRIDGED FINANCIAL STATEMENTS TO THE MEMBERS OF KIRLOSKAR ELECTRIC COMPANY LIMITED, BENGALURU

Abridge Report on the Abridge Standalone Financial Statements:

The accompanying abridged financial statements, which comprise the abridged balance sheet as at March 31, 2016, the abridged statement of profit and loss and abridged cash flow statement for the year then ended, and related notes, are derived from the audited financial statements of Kirloskar Electric Company Limited ("the Company") as at and for the year ended March 31, 2016. We expressed a qualified audit opinion on those financial statements in our report dated May 25, 2016.

The abridged financial statements do not contain all the disclosures required by the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Companies Act, 2013 ("the Act"), read with rule 7 of the Companies (Accounts) Rules, 2014. Reading the abridged financial statements, therefore, is not a substitute for reading the audited financial statements of the Company.

Management's Responsibility for the Abridge Standalone Financial Statements:

Management is responsible for the preparation of a summary of the audited financial statements in accordance with the accounting standards specified under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014 and accounting principles generally accepted in India.

Auditor's Responsibility:

Our responsibility is to express an opinion on the abridged financial statements based on our procedures, which were conducted in accordance with Standard on Auditing (SA) 810, "Engagements to Report on Summary Financial Statements" issued by the Institute of Chartered Accountants of India.

Basis for Qualified Opinion:

Attention of the members is invited to note 52 of the financial statements, regarding amounts due to the Company from certain subsidiaries towards part consideration receivable on sale/assignment of certain immoveable properties and receivables. We have relied on management's representations that it is confident of realization of amounts due from the said subsidiaries aggregating to ₹ 14,950.73 lakhs (previous year ₹ 18,452.51 Lakhs). Shortfall in realization of consideration receivable, if any, could not be ascertained.

Qualified Opinion:

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion paragraph above, the abridged financial statements derived from the audited financial statements of the Company as at and for the year ended March 31, 2016 are a fair summary of those financial statements, in accordance with the accounting standards specified under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014 and accounting principles generally accepted in India.

Other Matter:

We did not audit the financial statements/information of one branch, the Kuala Lumpur office of the Company, included in the standalone financial statements of the Company whose financial statements reflect total assets of ₹ 224.47 lakhs as at 31st March, 2016 and total revenues of ₹ 0.69 lakhs for the year ended on that date, as considered in the standalone financial statements. The financial statements of the said office have been audited by the branch auditors (M/s Sundar & Associates, Chartered Accountants) whose report has been furnished to us, and our opinion in so far as it relates to the amounts and disclosures included in respect of these branches, is based solely on the report of such branch auditors.

Emphasis of Matter:

- (a) Attention of the members is invited to note 53 of the financial statements, where in the directors have detailed the reasons for compiling the financial statements on a going concern basis, though the net worth of the group, consisting of the Company, its subsidiaries and associate has been eroded. The appropriateness of the said basis is subject to the Company adhering to the restructuring plan and infusion of requisite funds to it. We have relied on the representations made to us by the management. Our report is not qualified in this respect.

(b) Attention of the members is invited to note 54 of the financial statements which sets out that the Company has filed special leave petition in respect of demands for resale tax and sales tax penalty of ₹ 527 lakhs and ₹ 362 Lakhs respectively before the honourable Supreme Court of India. ANNEXURE-B REFERRED TO IN PARAGRAPH 2 (f) UNDER THE HEADING “REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS” OF OUR REPORT TO THE MEMBERS OF KIRLOSKAR ELECTRIC COMPANY LIMITED.**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of Kirloskar Electric Company Limited (“the Company”) as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

SIXTY NINTH ANNUAL REPORT 2015-16

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India".

Foot note:

- 1 Lloyd Dynamowerke GmbH & Co. KG, Germany (LDW), a step down subsidiary of the Company, incurred substantial losses during the previous two years, thereby eroding its net worth. The local directors of LDW filed a preliminary insolvency petition on September 8, 2014 and on September 9, 2014 preliminary insolvency was declared and preliminary insolvency administrator was appointed by the court in Germany.
- 2 The group has been given to understand that a South Korean company acquired all significant assets, patents, estates, orders and employees of LDW. However, relevant details of the consideration for this transfer and all other relevant information are not available with the group, in spite of its best efforts. The group has already filed its claim for an approximate value of Euro 3.52 million in respect of outstanding towards supplies made to LDW including dues of Kirsons B V (immediate holding company of LDW). The group has also appointed a local legal counsel to represent its interest, prepare a case for recovering damages and file a case against the lenders of LDW and few other parties.
- 3 As per German law from the date of filing preliminary insolvency petition, all disposals by LDW may be executed/made only with the consent of the insolvency administrator. The group has been advised that from a German legal perspective, Kirsons BV (wholly owned subsidiary of the Company) lost control over LDW on September 8, 2014 and is not in a position any longer to obtain any economic benefits from such activities, although it continues to be the major shareholder of LDW. Further, the insolvency administrator has already disposed off all significant assets, patents, estates, orders and employees of LDW to the South Korean Company and mere distribution of assets of LDW amongst its creditors is pending. The group has been given to understand that the financial statements of LDW, for the period from April 1, 2014 to September 8, 2014 and thereafter have not been prepared. Accordingly, these consolidated financial results (CFS) do not include any transactions of LDW from the year 2014 - 15 onwards. Further, since the group has lost control over LDW during the previous year, all assets and liabilities of LDW as at April 1, 2014 and recognised in the CFS for the financial year 2013 - 14 were derecognised and the resultant deficit (after restoring certain intangible assets transferred from LDW to Kirsons BV in prior years and eliminated in the CFS in the year 2014 - 15 as an intra group transaction) was recognised in the CFS for the year 2014 - 15 as an exceptional item.
- 4 No financial statements have been received from Llyod Beteiligungs GMBH for the year 2014 - 15 and onwards and accordingly, have not been consolidated in these financial statements. In the opinion of the management, impact of the same will not be material.
