Notes:

- The above results have been reviewed by the Audit Committee and approved by the Board of Directors at their meeting held on May 29, 2015.
- The financial results of the Company for the year ended March 31, 2015 has been audited by the statutory auditors of the Company.
- The figures for the quarter ended March 31, 2015 represent the difference between the audited figures for the current year ended March 31, 2015 and the unaudited published year to date figures upto December 31, 2014, being the end of the third quarter of current year, which was subjected to a limited review, as required under clause 41 (1) (d) of the listing agreement.

Notes to standalone financial results

- During the year under review, the Company promoted the following wholly owned subsidiaries:
 - Kelbuzz Trading Private Limited ("KTPL")
 - SLPKG Estates Holdings Private Limited ("SEHPL")
 - SKG Terra Promenade Private Limited ("STPPL")
 - Luxquisite Parkland Private Limited ("LPPL")
- Lloyd Dynamowerke GmbH & Co. KG, Germany (LDW), a step down subsidiary of the Company, incurred substantial losses during the previous two years, thereby eroding its net worth. The local directors of LDW filed a preliminary insolvency petition on September 8, 2014 and on September 9, 2014 preliminary insolvency was declared and preliminary insolvency administrator was appointed by the court in Germany.
- The Company has been given to understand that a South Korean company acquired all significant assets, patents, estates, orders and employees of LDW. However, relevant details of the consideration for this transfer and all other relevant information are not available with the Company, in spite of its best efforts. The Company has already filed its claim for an approximate value of Euro 3.52 million in respect of outstanding towards supplies made to LDW including dues of Kirsons B V (immediate holding company of LDW). The Company has also appointed a local legal counsel to represent its interest, prepare a case for recovering damages and file a case against the lenders of LDW and few other parties.
- The Company, after obtaining necessary approvals from its members has transferred its investments in Kirsons BV to LPPL at a consideration of Rs.6,063 lakhs (fair value assessed by a firm of Chartered Accountants appointed by the Company). The resultant loss of Rs.163.84 crores has been recognised in the Statement of Profit & Loss, as an exceptional item.
- As a measure of restructuring and with the consent of the lending banks under the Joint Lender Forum (JLF) mechanism, the Company has transferred certain assets comprising of immovable properties, receivables and inventory to KTPL, STPPL and SEPL, which will function as special purpose vehicles to hold such assets, dispose off the same and pay off certain debts transferred / to be transferred by the Company. The assets transferred are as detailed below:
 - Assignment of book debts of Rs.4,759.69 lakhs, sale of certain materials of Rs.45.68 lakhs and sale of certain immovable properties of Rs.5,088 lakhs, to KTPL.
 - Assignment of book debts of Rs.4,300.07 lakhs and sale of certain immovable properties of Rs.5,518 lakhs, to SEHPL and
 - Sale of certain immovable properties amounting to Rs.3,450 lakhs to STPPL.
 The fair value of all the properties have been assessed by chartered engineers appointed by the Company.
- The above transactions between the Company and its wholly owned subsidiaries in respect of transfer of immoveable properties are subject to the approval of the members by way of special resolutions in terms of section 188 of the Companies Act, 2013, rule 15 (2) of the Companies (Meetings of Boards and its Powers), Rules, 2014 and other applicable provisions, if any.
- The deeds conveyancing immovable properties referred to earlier were executed before March 31, 2015 in respect of which, payment of stamp duty, registration charges and registration with the concerned Sub Registrars are pending for the properties valued at Rs 13,652.45 lakhs. The Company has been advised that these properties have already vested in the relevant subsidiaries on the date of execution of the concerned deeds, even though payment of stamp duty and registration will be done subsequently. Necessary provision has been recognised in the financial statements wherever applicable to the extent registration charges and stamp duty is payable by the Company.
- The amounts outstanding and due from the said subsidiaries as at March 31, 2015 in respect of the transfer of the assets as mentioned in para 6(a) and 6(b) are KTPL Rs 5838.48 lakhs, SEHPL Rs 9,305.49 lakhs and STPPL Rs 3,450 lakhs.

These subsidiaries are taking active steps to repay the dues of the Company, from collection of debts assigned and from disposal of assets transferred apart from debts transferred / to be transferred as referred above. These subsidiaries have been sanctioned credit facilities to an aggregate extent of Rs. 51.33 crores (net of amounts drawn).

The board of directors of the Company are confident of recovery of the entire amounts due from the said subsidiaries and accordingly the resultant profit from transfer of said assets to them aggregating to Rs. 14,001 lacs has been recognised in the Statement of Profit and Loss as exceptional income.

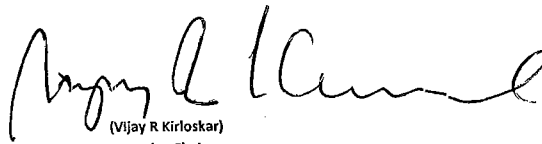

Notes to consolidated financial statements

7 As already set out in note 5 above, an insolvency administrator was appointed by the court in Germany in respect of LDW. As per German law from the same date, all disposals by LDW may be executed/made only with the consent of the insolvency administrator. The group has been advised that from a German legal perspective, Kirsons BV (wholly owned subsidiary of the Company) lost control over LDW on September 8, 2014 and is not in a position any longer to obtain any economic benefits from such activities, although it continues to be the major shareholder of LDW. Further, the insolvency administrator has already disposed off all significant assets, patents, estates, orders and employees of LDW to a South Korean Company and mere distribution of assets of LDW amongst its creditors is pending. The group has been given to understand that the financial statements of LDW, either for the financial year 2014-15 or for the period from April 1, 2014 to September 8, 2014 have not been prepared. Accordingly, the consolidated financial results (CFS) presented above do not include any transactions of LDW for the year. Further, since the group has lost control over LDW during the year, all assets and liabilities of LDW as at April 1, 2014 and recognised in the CFS for the financial year 2013 - 14 have been derecognised and the resultant deficit (after restoring certain intangible assets transferred from LDW to Kirsons BV in prior years and eliminated in the CFS in the year 2013 - 14 as an intra group transaction) has been recognised in the CFS for the current year as an exceptional item.

Notes common to both stand alone and consolidated financial statements

- 8 The net worth of the group in terms of the CFS presented consisting of the Company, its subsidiaries and its associate is eroded, . The Company and its components have initiated several measures like identification and active steps being taken for disposal of non-core assets, arrangement under JLF mechanism for restructuring of dues to banks, sanction of further non fund based limits by banks, infusion of capital by the promoters, rationalization of operation, introduction of value added products push for sales, optimization in product mix and enhanced contribution, proposed capital raising plans etc. Accordingly, your directors have prepared the financial statements of the Company on the basis that it is a going concern and that no adjustments are considered necessary to the carrying value of assets and liabilities.
- 9 The parent company has recognized the charge for depreciation adopting the useful life of its fixed assets other than plant and machinery/tools as prescribed in schedule II of the Companies Act, 2013. However, the charge for depreciation on plant and machinery/tools has been based on the re-evaluated useful life technically assessed which are different from the useful life prescribed in schedule II of the said Act. Had the parent company continued with the rates of depreciation adopted till March 31, 2014, the charge for depreciation and loss for the quarter / year ended March 31, 2015 would have been higher by Rs. 17.90 lakhs and Rs. 87.79 lakhs respectively. Further, based on transitional provisions provided in clause 7(b) of schedule II of the Companies Act, 2013, an amount of Rs. 68.87 lakhs representing the carrying value of those assets whose residual useful life is over, has been charged to the retained earnings as at April 1, 2014.
- 10 The parent company has filed before the honorable Supreme Court, special leave petition in respect of resale tax and sales tax penalty of Rs.527 lakhs and Rs.362 lakhs respectively, on its erstwhile subsidiary Kaytee Switchgear Limited (since merged with the parent company) and confirmed by the honorable High Court of Karnataka. The Company believes based on legal advice / internal assessment that the outcome of these contingencies will be favorable, that losses are not probable and no provision is required to be recognized in this respect.
- 11 The observations of the auditors regarding pending registration, going concern, shareholders approval and sales tax cases mentioned above are self explanatory and will not materially affect the financial results.
- 12 Previous period/year figures have been regrouped wherever necessary to confirm with current period presentation.

Place: Bangalore
Date: May 29, 2015
